Dear IAIDQ Member,

Preparation is well under way for the **2007 IDQ conference** at The Palms in Las Vegas, Nevada. The good news is that the average temperature in Las Vegas in September will be a dry 94 degrees Fahrenheit (and not the current 110 degrees). Registration is now open. Remember to sign up early for a discounted price.

Believe it or not the Election process will begin next month with the call for nominations. The Board of Directors positions that are up for election are:

- VP Partner Relations
- VP Web Services
- VP Publicity and Recruitment
- VP Event Services

If you are interested in any of these positions, and have questions please feel free to contact me.

As mentioned in last quarter's message, the Board of Directors is planning on meeting for a day and a half prior to our conference in Las Vegas (Saturday afternoon and all day Sunday). We welcome your participation and encourage you to join us. If you are interested in doing so, please contact me so we can plan accordingly.

Thank you,

Lisa Flint-Dodson
IAIDQ President
